

# TO MAKE AN APPOINTMENT

**The Service de Santé Étudiante (Student Health Service) is exclusively dedicated to university students.**

On this page, you can make an appointment with the Service de Santé Étudiante for:

- Consultations with doctors, nurses or psychologists,
- Medical consultations concerning disabilities (for special accommodations during classes and tests).

With your European Health Insurance Card (“Carte européenne d’assurance maladie”) or your certificate of entitlement to health insurance (“attestation de droits à l’assurance maladie”), or medical card (“carte Vitale”), and your complementary health insurance (mutuelle).

For requests concerning sports medical clearance certificates (“certificat de non contre-indication à la pratique sportive », FFSU permit only), contact the Service de Santé (Health Service) at:

**+33 (0)4 76 18 79 79 between 8a.m. and 12p.m. (except on Tuesdays)**

If your request concerns sexual health and family planning service (contraception, emergency contraception pills, screening for STI, etc.), you can also come to the Service de Santé Étudiante during office hours (except on Wednesday afternoons).

**Once you have created your account (with your institutional email address):**
