

TO MAKE AN APPOINTMENT

The Centre de Santé Universitaire (University Health Center) is exclusively dedicated to university students.

Please note: If you have potential COVID-19 symptoms, don't make an appointment.

Check the COVID-19 Procedure for your next steps.

On this page, you can make an appointment with the Centre de Santé Universitaire for:

- Medical consultations with physicians or specialist physicians (gynecologists, psychologists, sports medicine physicians, etc.),
- Medical consultations concerning disabilities (for special accommodations during classes and tests),

For requests concerning sports medical clearance certificates (“certificats de non contre-indication à la pratique sportive”, FFSU permit only) or to register for first aid training, contact the Centre de Santé (Health Center) at:

+33 (0)4 76 82 82 38 between 8 a.m. and 12 p.m. (except on Tuesdays, 10 a.m. to 12 p.m.)

If your request concerns screening or family planning services (contraception, emergency contraception pills, HIV screening, etc.) :

You can come to the Centre de Santé (Health Center) during office hours without making an appointment

Once you have created your account (with your institutional email address) :

Prenez votre prochain rendez-vous / Your next appointment :
